

3 WEEKS

3 Weeks Before Launch

- Finalize your 2016-2017 classroom rosters
- Attend a DreamBox Professional Development session

If you have not scheduled Professional Development please contact your account manager or find more information at Professional Development Services.

2 WEEKS

2 Weeks Before Launch

- Review your 2016-2017 roster data
- Send roster data to DreamBox Client Success through DreamBox Automated Roster Management, Insight Roster Upload, or share them through Clever Automated Roster Management. Contact support@dreambox.com with any questions.

1 WEEK

1 Week Before Launch

- Review your rosters in DreamBox and contact Client Success if you need adjustments
- Log into your Teacher Dashboard and confirm your roster and classrooms settings are correct
- Locate the DreamBox URL, SSO instructions, and/or iPad code
- Confirm devices and lab/cart time
- Prepare your devices (create bookmarks on desktops and laptops, install iPad apps, etc)
- Confirm and prepare how you will share student usernames and passwords
- Practice logging in as a student
